Homecoming '72 was a great success!!! Using the theme Tiger Mania, students showed their pride in being a Morse Tiger. Students came to school dressed in clothes of their cultural heritage, as gangsters for M.A.F.I.A. Day, and as circus clowns. Everyday brought new and exciting activities . . . races, cake walks, pin the tail on the tiger were among the many events.

Homecoming Scenes: (opposite page, upper left) Norm Ritter and Maria Thibeault doing traditional Japanese bow. (center) Terry Odom contemplating the big race. # *HOMECOMING DANCE*

The Homecoming Dance was held at the Balboa Park Recital Hall from 10:30 to 1:00 a.m. It was made possible through the great efforts of the PTA. It was a great success and everyone participated. The band playing there was "Nature."

Homecoming Night was a night the Mighty Tigers will not forget. Slowly the rain fell, leaving the stands with faithful Tigers cold and wet. Despite all the rain, Homecoming night was not ruined. The crowd cheered their team on to victory. The game was played against St. Augustine and Morse was victorious over the Saints with a score of 7 to 2.

## Haystack Hoedown

The first big activity of the year, the Haystack Hoedown started the year off with a bang. The Haystack Hoedown is an annual event sponsored by Girls' League. This year it was held on September 16. During the day students and teachers come to school dressed as hobos and bums. During the evening, a dance was held. The lucky (or unlucky) guys got led down that long dark aisle to that big step of marriage, but it was the guys that did the leading to the Divorce Court.

## *Project People*

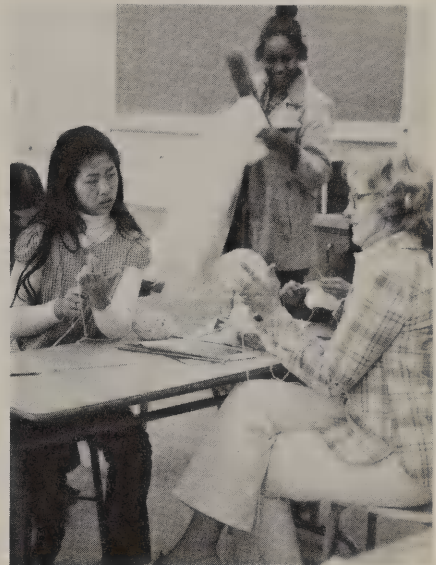

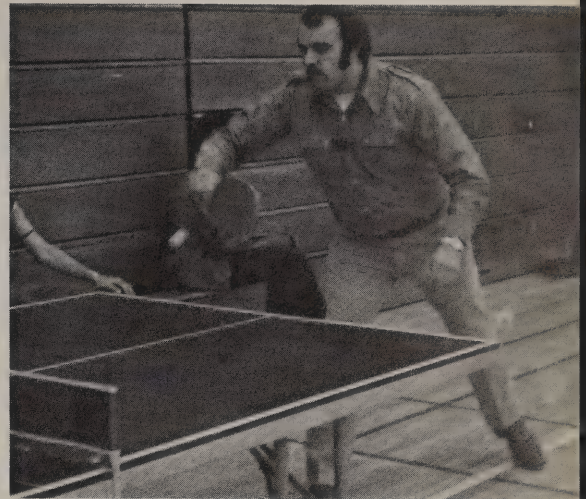

Project People's main goal is to strive for the betterment of the school through communication between students and faculty and the administration. Project People was started at Morse last year. It has successfully continued this year with many new faces and some of the old ones.

# *Thank God It's Wednesday!*

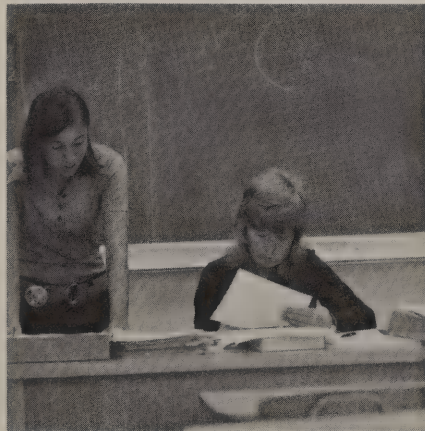

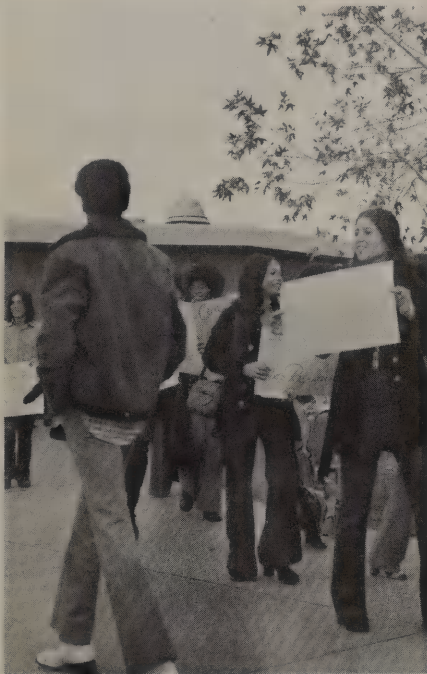

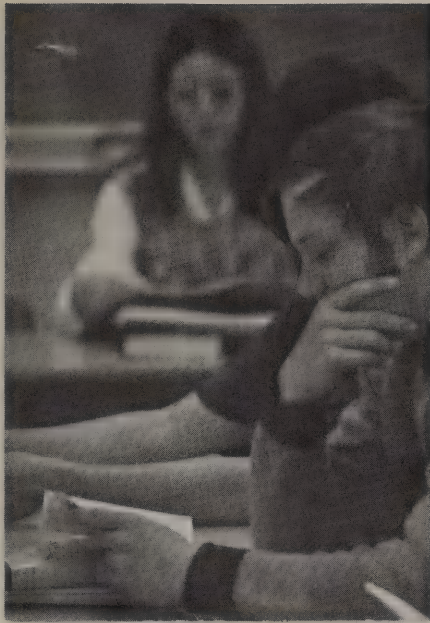

Thank God It's Wednesday takes place every 2 weeks at 11:31 to 12:53 on a Wednesday, of course. It's held during the lunch periods, both periods combined. Students can go to the cafetorium and dance, on the field and participate in various sports such as basketball, tennis, handball, archery, and softball, or into different activities such as crafts, crocheting, knitting, backpacking and watching movies. You could even throw a frisbee at each other. The first TGIW took place on March 28 of 1973. Thank God It's Wednesday would not be possible if it wasn't for a group of concerned people and teachers who cared enough to try . . . and succeed.

*We'll remember the  
days of concern,  
Concern for the teachers  
of transfer  
Transferred out of our  
school,  
A school where they  
were needed most.*

On January 17, 1973 approximately 400 students participated in a peaceful demonstration against the transferring of Mrs. Richardson and Mr. Asakawa. These students protested around the Administration building and other buildings on campus. The remaining 1500 students were in class as usual.

# Mexican Christmas Fiesta

The Mexican Fiesta was held on December 13 in El Centro, Balboa Park. About 200 students from Morse participated in the "Posada". A Procession of candles was held as they sang from door to door asking for shelter, reliving what had happened hundreds of years ago.

# ASB BALL

The ASB Ball which was almost cancelled because of lack of participation, finally came through and was held at the Royal Inn at the Wharf on Friday, March 16 at 8:00. The ASB Ball is one of the big formal events of the year. Many Morse students danced and listened to the funky sounds of "Mellow Brown". The ball started at 8:00 and ended at 12:00 midnight. Miss Donna Jackson was crowned ASB Queen of 1973 and Mr. Tim Goodwin was ASB King.

# THE CHOSEN FEW

*Best of  
luck  
Ollie Brown*

Finishing with a record of 4-5 doesn't reflect the Tigers' ability, size, and strength. The Tigers played some of the best teams in the county and came up on the winning end. The reason for this sudden improvement was Head Coach Shacklett, not neglecting the talents of Coaches Anderson, Arrevelo, Terreto, and Mendoza.

The offense was tough. It was led by Ollie Brown in the backfield and Ben Henry on the line. Defense was rough, led by Willis Watley in the backfield and Frankie Hamilton in linebacking and by Peter Smith on the line.

Other outstanding players were Reggie Trimble, Fred Lockhart, Ray Morrow, Mark Daniels, Greg Dantzler, Matt Monroe, Willy Wright, Randy Kocher, Archie Amerson, Lew Barrett, Terry Burton and Sherwin Wade.

One of the saddest memories of the season is that of the loss to number one ranked Madison, 7-6, in which a touchdown was not signaled by a referee.

In the playoffs, the Tigers defeated Hilltop by 18 points. Then the Tigers moved on to the quarter finals meeting top-seeded Madison. It was the most exciting game of the season with the Tigers winning in the final minutes. The score was Morse 70-Madison 67. After the game the Mighty Tigers were attacked by more than 400 roaring fans. The team moved on to the semifinals. The Tigers had to play Kearny. The score ended up Morse 50-Kearny 66, due to cold shooting in the second half. Some outstanding players were Ollie Brown, Leading scorer and Andre Robinson.

## *Men's Wrestling Team*

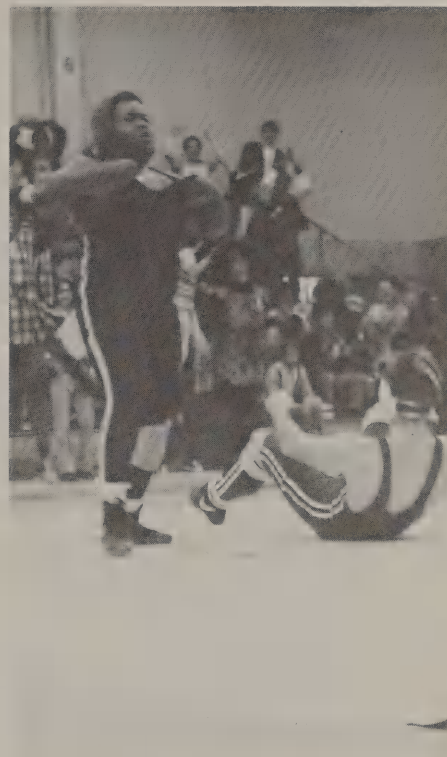

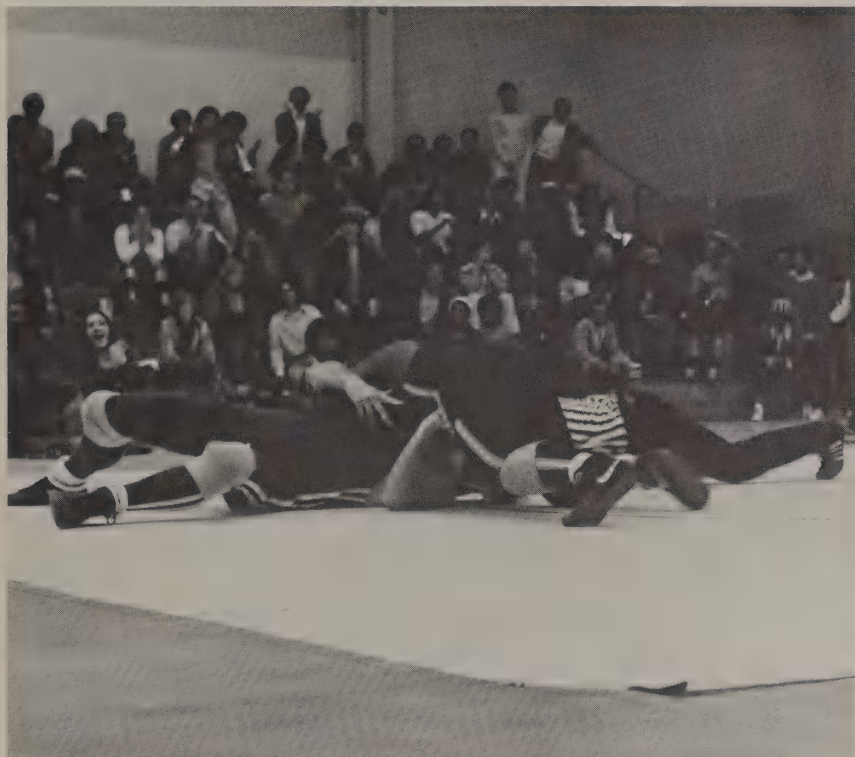

This year's wrestling team won the Eastern League Championship with three individual champions. First place honors going to Tony McElroy, Junior, Bobby Martin, Senior, and Dwight Thomas, Junior. This year's team won eight duel matches and lost four. There are only five graduating seniors on this year's team, Bobby Martin, Vincent Picken's, Herb Jackson, and Lew Barrett. With a strong nucleus of Sophs and Juniors for next year's team, things look very promising for 1974. Highlighting next year's outlook is Robert McCoy, Tony McElroy, Jimmy Vargas, and Eddie Cluke. With these young men and a promising group of new comers, the mighty Tigers could again become league champs and possibly go on to the CIF Championship.

At the time of this writing, the Tigers are at a building stage. Some of the pitchers are young and inexperienced but should improve to be very effective. The hitting ability is there and should be strong as the season progresses. The overall team spirit is good with great pride, and enthusiasm that is generated through each and every player. With all these things going for us, chances of having an excellent season is within our grasp.

## ***MEN'S TENNIS***

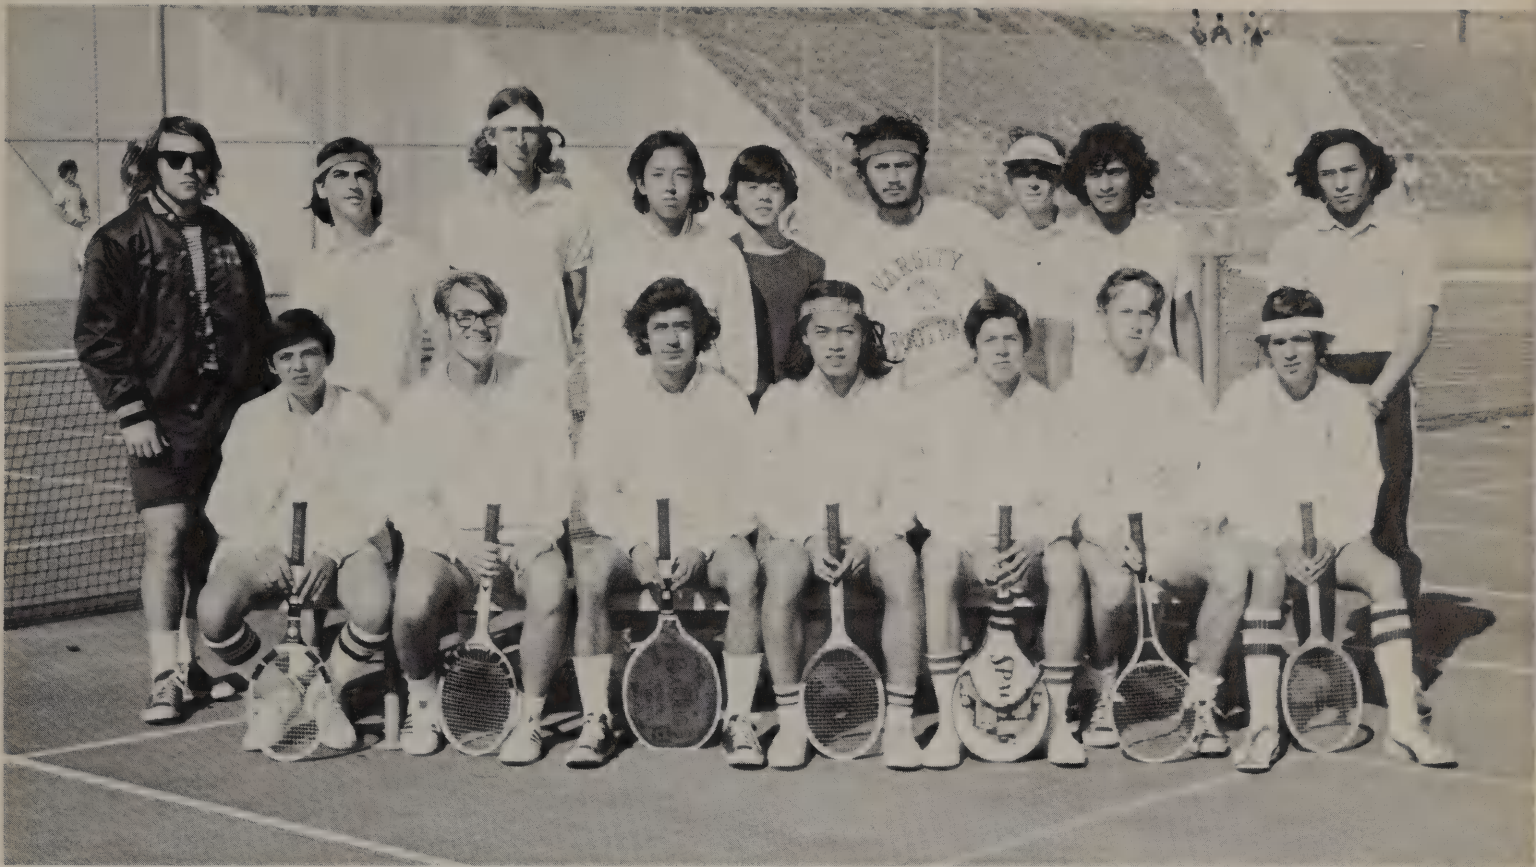

After coming off a great season last year, this year's tennis team was at a stage of rebuilding. Coach Dave Desonia in his first season as tennis coach had only two returning lettermen, three other returning team members, and fifteen newcomers.

The top singles players were Herb Tuyay, Bill Barrios, Ed Linn, and Mark Beuster. With the doubles pairs as, Benhy Sanchez, Juan Franco, and Nick Ortuno, Arturo Barrios. Plus, Joe Camp and Dana Yamaguchi also playing.

The season was at times frustrating, but with its team spirit and unity the season ended with a sweet note.

# Varsity Track

The Morse Track Team has had a good season despite their two setbacks by powerhouses Lincoln and Crawford.

The Tigers have broken three school records and are on their way to a fourth.

The Tigers ended up with a 4-2 Eastern League record. The Tigers also have good material coming back and should have another good season next year.

## *Women's Swimming*

The Girls' Swim Team has completed its third year of competition at Morse High School. Each year the team has improved and has advanced in its standings at the all County Finals. Two years ago Morse had no representative at this meet while this year ten of the twenty-one girls advanced to these all district finals.

This year's team is composed of thirteen sophomores, four juniors, and three seniors. The team is divided into three classifications—A, B, and C according to ability. Morse had strong representation in the C classification and with returning sophomores, Morse should have an even stronger team next year.

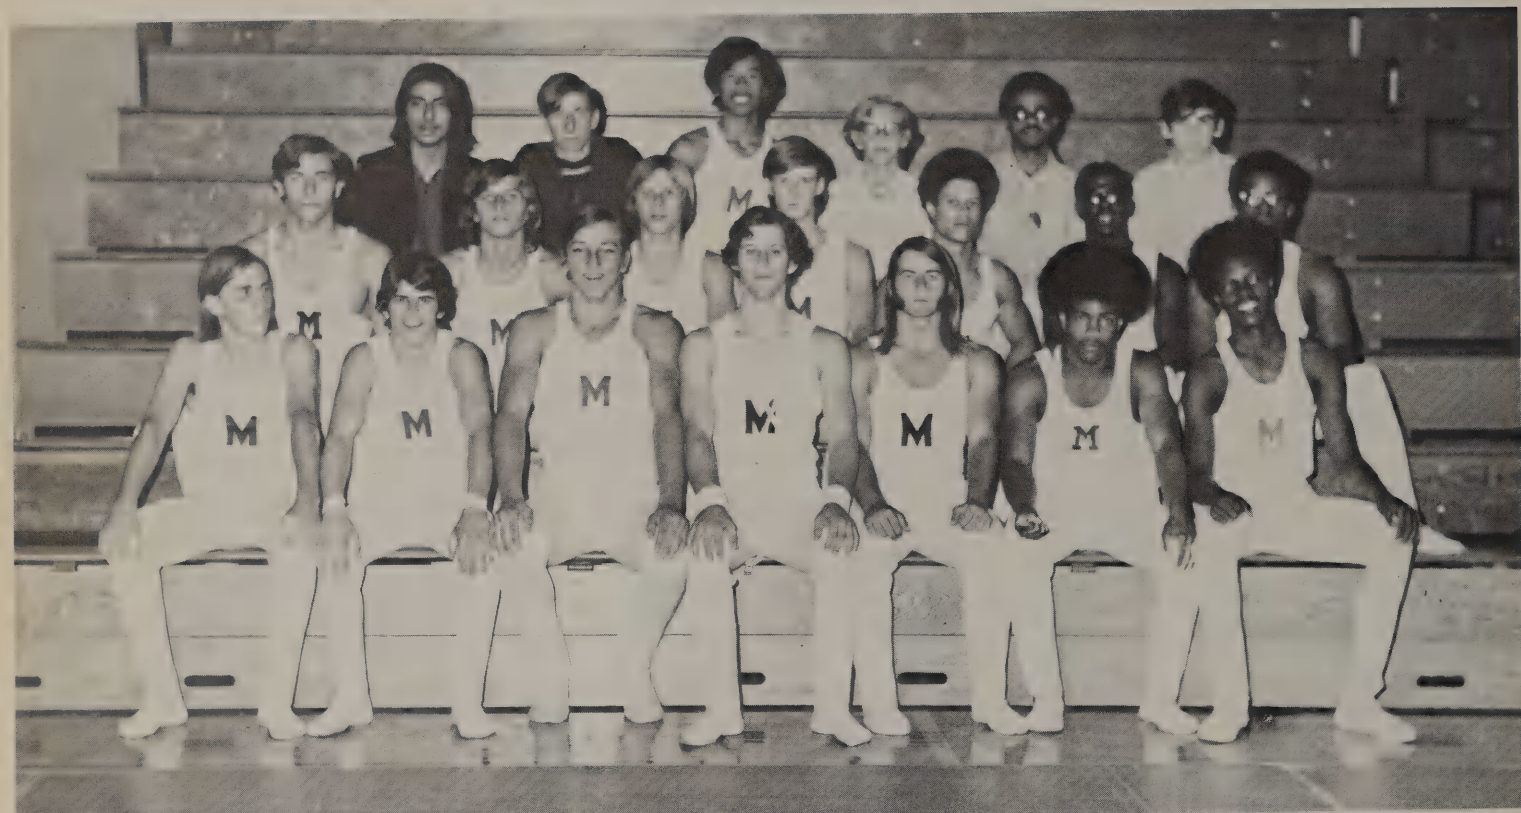

Mary Demshock demonstrates the backstroke (opposite page, top). Captain Carin Cole does butterfly (opposite page, bottom left). The coach, Miss Mallory (opposite page, bottom right). ## *Men's Gymnastics*

Gymnastics is a sport that takes a lot of strength, balance, and precise timing. The high bar, floor exercises, tumbling, side horse, long horse, ropes, and parallel bars are some of things performed with great skill by our able gymnasts. This year the Morse Gymnastics Team took second place in Eastern League.

## ***MEN'S SWIM TEAM***

So far, this year's swim team is having an outstanding season. The season started out slow but progressed with time. Up to this writing the Tigers have won 5 in-a-row and with only one Eastern League defeat. This year's team is strong with most of the swimmers returning from last year. This year's team also has many new sophomore swimmers and this should help out next years team greatly. Some of the outstanding swimmers were Gene Enos who broke the school record in butterfly, Don Lindsley in breast stroke, Vance Rushing and Mark Flanders in free style. This year's team was headed by Coach Penacho, John Johnson and Kurt Chambers.

## Surf Team

The surf team had to overcome many difficulties this year in order to accomplish anything. Due to the lack of cooperation and organization, only two "surf meets" were held. This years team was composed of some of the best competitors Morse has ever seen, Bruce Roland, Mike Davis, Phil Reid, Jerry Davis, Gene Enos, Ed Bright, Frank Watson and Steve Brooks.

A total of twenty people joined the team this year, and because only six could surf for the team, we organized a surf club. The club was composed of everyone, and the team consisted of the competitors only.

(Front row, left to right) Mike Davis, Steve Brooks, George Maggay, Bennetta Buell, Glen Mangosing, Kevin Harrison, Bruce Roland. (Back row left to right) Jeff Mitts, Phil Reid, Ed Bright, Jim Gilbert, Gene Enos, Randy Butler, Frank Watson, Derwin Butler, Jerry Davis.
